Things to do:

- Represent these services in BSRL (Additional Notes by Professor) by 13th August
- Check the scope of the project

Things to ask the subject coordinator:

- If we can use mockup to build services?
- Do we need a UI?

Answer – Depends on the design, it is up to us to choose mock, UI or other gateway options.

Next Week Plan:

- **Plan the Design of Project (BPMN)**
- **Work breakdown Between Members**
